Fourth Virginia-J. F. Epps (Gem. )

Police Census-Takers to Begin Ex-Justice Seth R. Platt Arraigned Work Next Monday Morning.

"What is your name? What is your L. I., is on trial to-day, charged with perage." good citizen of Gotham?

Be prepared to answer these questions promptly and politely, for bright and early one. honday morning a policeman will call appon you, book and pencil in hand, to assure you of your official existence as an integral part of the population of New York.

The property and politicity and early a part of the population of New York.

The property and politicity and early and early a seems that about a month ago James F.

Manny, a wealthy New York cotton broker, got into an altercation with F. A. Johnson, who is the editor of the local paper at Bay who is the editor of the local paper at Bay who is the editor of the local paper.

part of the population of New York.

The policeman will not bother you with
Shore and also the manager of the Western impertinent questions about your private Union telegraph office there.

A despatch addressed to Manry had bee over your secret life like a black cloud, or detained, and Maury accused Johnson of delaying it. In the argument which for

to the public.

The policeman census-taker will ask you just two questions about yourself. "What is your name?" and "What is your age?"

The Mayor's police census will record the name, address, sex and age of each person in each house, apartment, flat or tenement that the site limits and nobody will be askined.

Louis L. Smith, W. W. Barto, E. J. Raddress, and the editor of the site of t in the city limits, and nobody will be skipped dington. Albert Ruland and Leander G.

Homan. The books will be returned to the Mayor's

The books will be returned to the Mayor's office, and the modern the immediate supervision of Mayor Grant, and then we shall know just how big New York has grown.

When it is ascertained inst how many officeness. When it is ascertained inst how many officeness. When it is ascertained inst how many competents, then we shall know how many of Mew York's people of the shelf was a constant of the first and Juror Smith say that Justice Waller came into the jury room, and in the absence of the defendant or his counself, and that of 24, 670 inmates, nurses, attendants, clerks, physicians and minor employees of these forty institutions not more than 25,000 being moonned, the Census Bureau claiming that they did not belong in the Federal list—or, in other words, had no existence.

Each policeman Platt sent for Judge Waller, who has the reputation of being very severe in his sentences.

The verdict of guilty he (the Jury room, and in the state of guilty was brought in.

Somehow Maury got wind of this and demanded that the verdict be set axine as being in independent of the large and demanded that the verdict be set axine as being in independent of the large of guilty was brought in.

Somehow Maury got wind of this and demanded that the verdict be set axine as being in independent of the large of guilty was brought in.

Somehow Maury got wind of this and demanded that the verdict be guilty was brought in.

Somehow Maury got wind of the large of guilty was brought in.

Somehow Maury got wind of the set axine as bring independent of the large of the defendant or his couns, and that of the jury was been an attempt and the large of th
